We understand some of you are concerned about the spread of COVID-19. Ensuring the safety and health of our patients, staff and family members is one of our top priorities.

***Until the situation has improved we will only be open on Tuesdays from 9am-5pm for video appointments. Our office is closed Monday, Wednesday, Thursday and Friday so we appreciate your patience as it may take 12-24 hours to return voicemails, text messages and faxes. We will be checking voicemails and texts daily, so please leave a message.***
